

Building Safer Neighbourhoods together

SURGERY ISSUE RAISED – HENLEY/STUDLEY COMMUNITY FORUM

Date.....

Venue.....

Name.....

Type of Issue	Location	Comments/Requests for Action

- After completion of this form please forward to your co-ordinator (see attached notes) who will ensure that the concern is taken into consideration amongst all others in the PACT (Partners And Communities Together) process.
- This form will be taken as your views to supplement the PACT process. This means it will be submitted alongside other peoples views at the Community Forum meeting and will be considered when deciding on which priorities will be dealt with by the relevant authorities or community groups.
- If you would like to receive further information of future Henley/Studley Community Forums, please give your details below: Please also visit www.warwickshire.gov.uk/communityforums to find out how you can get involved.
