You Said We Did!!

ISSUE 4

Winter Gritting Route, Pettiford Lane

You Said We Did!!

OUTCOME

Response letter from Bryn Patefield says, “I have reviewed the winter service to your lane and unfortunately the current routes serving this area already comply with Warwickshire County Council’s Winter Maintenance Policy, therefore no additions can be made at this time, to include Pettiford Lane. The Warwickshire Winter maintenance Policy is;- we grit all main traffic routes, A and B roads, strategic routes or a single route into villages. However I do understand your concerns and I have asked the Area Highways Team to assist during prolonged severe weather and when their resources allow. Please contact them on 01926 412515.

ISSUE 5

X20 bus service

OUTCOME

There appears to have been a seating problem in May and June last year but since then no issues have been raised. In addition the buses operating on this route now have greater seating capacity than was previously the case

You Said We Did!!

ISSUE 6

Community Initiatives

OUTCOME

VASA will give a presentation later on the agenda
