GET-SET-GO

On your marks....

Residents in Stratford District aged 45 and over are being encouraged to get more active with support from two newly appointed Active Communities Officers based at Stratford on Avon District Council.

Fitness professionals Paula Watson and Kally Laity are developing a range of activities under the newly branded Get-Set-Go, which will include:

- 'GET Active' sports and activity sessions held at a selection of local leisure centres.
- 'SET the pace' free guided health walks in every market town throughout the District including Studley and;
- 'GO Green' exercise initiatives that will combine gardening on especially acquired allotments and vegetable patches raising awareness of healthy eating.

Stratford on Avon District Council new Active Community Officers which are jointly funded by The Big Lottery Fund and Sport of England are part of a partnership with public and volunteer sector agencies to plan, promote and deliver a range of programmes to include people aged 45 and over in the District.

It is well known that regular physical activity may contribute to reducing your risk of coronary heart disease, strokes, some cancers, obesity, diabetes, osteoporosis, dementia and other mental health problems. Group encouragement and motivation is a key element in the new programmes, helping those who join for the first time to feel they want to continue. BULKY WASTE COLLECTION

As many residents are aware the collection resumed with Verdant at the beginning of September. The next collection will be Saturday the 4th October between 10am and 12 noon.

After the last collection some residents turned up late and left their rubbish on Pool Road Car Park. This has meant that the Parish Council has had to pay extra to have this taken away.

Please note if this continues the Council will have no option but to discontinue the service due to the costs involved, as we have to pay again for Stratford to remove any rubbish as it is classed as fly tipping.

STUDLEY IN BLOOM

Judging took place by the Heart of England in Bloom judges on 29th July. Clear Improvement on the previous year was evident with newly painted lamp columns and floral displays.

Studley won a Silver Award again this year. The judges were particularly impressed with floral displays on the Barley Mow Island and outside the many Public Houses. It was also a pleasure to see the proud delight of the school children showing off their efforts at Studley Infant School.

Justin Sayers Chairman of Studley in Bloom thanked everyone and stated "that even though Studley is not a 'pretty' village that does not prevent us from having a pride in the way the village looks and appears to those who pass through. Significant progress has been made this year, particularly in the way local groups and agencies have worked together to make Studley a nicer place to live."

A huge thank you to Studley in Bloom for all their effort and hard work. Despite the adverse weather the village has once again looked super. It has not been an easy task with the few volunteers that make up the group. They are in urgent need for more members. If anyone is interested in joining and giving up a little of their time please contact Studley Parish Council on 01527 853204 or via our website studleyparishcouncil.org and we would be happy to pass on your details to Justin.

STUDLEY PARISH COUNCIL AWARDS FOR SERVICES TO THE COMMUNITY

It is that time of year again when the Parish Council seek nominations to local groups and individuals in recognition of their services to the Community.

- Silver Jubilee Shield is presented to an individual resident who in the eyes of the Parish Council has made a valuable contribution to the Community
- Millennium Shield is presented to a group or organisation in the Village such as Studley in Bloom, Allotment Association, Action Studley etc.
- Youth Shield is presented to any young person who has made a difference to the Community. The youth of the village often get a 'bad press' but many deserve some recognition for what they do for the village.

For the second year running we are asking residents for their nominations
All nominations will be looked at and taken seriously by the Parish Council.

Please use the tear off slip at the bottom of this letter
