## STUDLEY IN BLOOM

Congratulations to Studley in Bloom on winning a Silver Gilt Award in this years judging of the Heart of England in Bloom Competition which took place on 28<sup>th</sup> July. The “Bloomers” have worked so hard this year and the village looks better than ever with extra planters on the railings on Alcester Road. The judges were very impressed with the improvements made and the lack of weeds and litter. Justin Sayers Chairman of Studley in Bloom also received a special award for services to Studley in Bloom

Thanks also go to Studley Improvement Partnership who were deeply involved with improvements to the Barley Mow Island and the de-cluttering of the signage. It has taken a long time but the island looks so much better.

Action Studley as usual played their part organising litter picks prior to the judging. These litter picks continue throughout the year on a Saturday morning meeting outside the Youth Centre at 10am. Please go along and help keep Studley a better place to live.

## **STUDLEY PARISH COUNCIL AWARDS FOR SERVICES TO THE COMMUNITY**

It is that time of year again when the Parish Council seek nominations to local groups and individuals in recognition of their services to the Community.

- Silver Jubilee Shield is presented to an individual resident who in the eyes of the Parish Council has made a valuable contribution to the Community
- Millennium Shield is presented to a group or organisation in the Village such as Studley in Bloom, Allotment Association, Action Studley etc.
- Youth Shield is presented to any young person who has made a difference to the Community. The youth of the village often get a 'bad press' but many deserve some recognition for what they do for the village.

For the second year running we are asking residents for their nominations

All nominations will be looked at and taken seriously by the Parish Council.

*Please use the tear off slip at the bottom of this letter*
