STUDLEY COMMUNITY LIBRARY

By: Joan Wallin

The library has been running with the help of a dedicated group of volunteers since April and I am delighted that we have not had to close unexpectedly due to a volunteer not being able to attend. This occurrence was remarked on very favourably by Tracey Baker when she carried out the first quarterly audit in July. All aspects inspected are meeting requirements. Well done to everyone!

Please can I take this opportunity to apologise to library users for the problems they may have encountered with the technology used to loan, return or renew books. This is out of our control but the problems have been fully reported and the IT department at Warwickshire County Libraries is investigating them.

We have enquiries from some members of the public asking if we can accept donations of books. We have decided to make space for books, documents, etc that specifically relate to our local area or are by local authors. Lack of space makes it impossible to accept general donations. These books, documents, etc, will be for reference only and should form a valuable resource for the community.

We are thinking of opening the library for an evening session if there appears to be sufficient demand. Please let us know, either in person or by email at studley_library@hotmail.co.uk if you think this has merit. Once again thank you for all the support.

Are You Interested in becoming a Parish Councillor?

A vacancy has arisen on Studley Parish Council. If you are interested in local issues and what is happening in Studley and wish to become a member of the Parish Council please contact the Clerk, Mrs Lesley Gailey for more details.

Tel: 01527 853204 or Email: clerk@studleyparishcouncil.org.uk

Graffiti in Skate Park

The Parish Council was very disappointed to find the newly painted skate park vandalised with obscene graffiti during the summer school holiday. The police were able to apprehend the offenders as they were caught on CCTV cameras. The youths involved have since apologised to Full Council. The offenders, under the supervision of the Youth Club, have now repainted the part of the skate park that does not require specialist paint. The Parish Council had to get professional decorators to apply the specialist paint on the other part of the skate park to cover the graffiti, which incurred extra cost that could have been used elsewhere in the Parish for other amenities.

The Council would like to see the facilities that have been provided for them being valued and used responsibly.

The Council would also like to thank all the youths that came forward to offer to repaint the skate park.

Bulky Items Collection Service

The service operates on the first Saturday of each month between 10 am and 2 pm. Residents are not to leave any items at other times as this is fly tipping and liable for prosecution.

Please do not bring your garden waste. Use the green garden waste bin which is collected by the Council fortnightly.

Update from Studley Citizens Advice Bureau

By : Alan Jarmy

Since May 2012, the CAB has been operating a drop in service in the Village Hall on the 1st & 3rd Tuesday of the month from 10 am – 1pm.

The service is open to anyone with problems such as debts, housing, benefits, relationships, consumer issues, etc.

Clients are seen for 10 – 15 minutes to see if the CAB can help 'on the spot or free follow up advice appointments can be made for Alcester or Stratford.

Over 30 Studley clients have used the service over the last few months.

Do we need a Dog Warden?

One of the most common complaints we receive at the Parish Council is about concerns over the level of dog fouling in Studley.

Stratford District Council has asked Parish Councils if we would be willing to fund the cost of a new warden who could extend the existing provision. However, we are not convinced that sufficient time would actually be spent in Studley monitoring the issue if the new warden still had responsibility across the District. Instead of paying towards a District Officer, we are considering if the money would perhaps be better spent on employing a warden in Studley; partly sharing the cost of a part time post with one of our neighbouring parishes. We would like to hear your view on this.

A SMILE FOR A SOLDIER

BY: Cynthia Warren

Some people's lives are tragic,
The sadness goes on and on.
First she lost her husband
And now her beloved son.
The love they shared was special,
That love was in their eyes.
Both husband and son in the army,
Two really brave guys.
She wrote a bluey every week,
So her son would remember mum,
Being away in distant parts,
An outward smile, but inner glum.
She keeps the medals on the side,
To remember her two brave guys.
Who fought for their country,
To help make safer our lives.
So friends everywhere,
When you see a soldier
Please remember to smile.
Because they are somebodies son,
Who maybe, hasn't seen mum for a while.
