Studley Community Library

The launch of Studley Library took place on Tuesday 3rd April 2012, the culmination of many months of hard work. The library will continue to be supported by Warwickshire County Council with the loan stock of books. There are also 3 computers available for internet access. It will be manned by 12 trained volunteers with the help of many others. The new facilities have already proved to be very popular. Studley Parish Council are very grateful to all the residents who have volunteered to run the library as without their help the library in Studley would be lost forever. They have risen to the challenge and should be congratulated.

Stratford on Avon District Council Computer Access Terminal

A facility has been installed in Studley Village Hall to enable residents to contact Stratford District Council regarding any problems they may have. The facility allows face to face contact using a skype link and a telephone. A scanner is also available if any documents need to be viewed or sent..

The facility is currently open between 9am to 12 noon and 1pm and 4pm Monday to Friday.

Studley Village Hall Annual Awards Evening

On 25th February 2012 Studley Parish Council hosted their Annual Awards Presentation Evening to mark the achievement of volunteers who work tirelessly for Studley community which was held this year in Studley Village Hall.

This year the **Silver Jubilee Shield** was awarded to Diane Clarke for her outstanding service to the Community. She undertakes a lot of hard work for many groups including St Mary's Parish Church. She is renowned for the Grottos that are erected for a number of groups as well as for the Parish Council at Christmas time. Diane makes a valuable contribution to the community in Studley.

The **Millennium Shield** for services to the village by a group, was awarded to The First Responders. They are a hard working group of volunteers who are often the first on the scene when an emergency occurs whether it is a road traffic accident or a problem in the home. They provide an important service and in some cases help save lives before an ambulance arrives on the scene. During the Christmas period last year they attended over 104 calls.

The **Youth Shield** award was presented to James Barry for the work he does as a member of the Young Fire Fighters and as a First Aider. With young people often suffering a bad reputation for their behaviour, it is refreshing that there are many young people out there including James whose contribution makes a difference to the community where they live.

WALKING FOR HEALTH IN STUDLEY

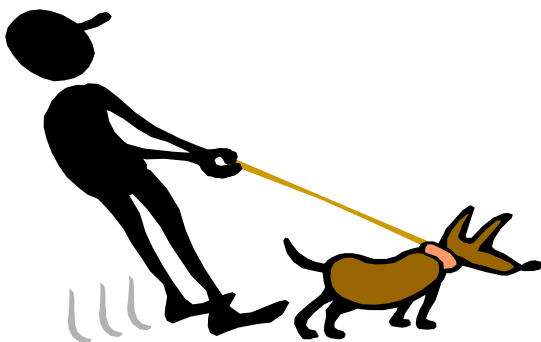

Walks take place every Wednesday at 2pm on footpaths surrounding Studley and last for 1-2 hours. Walks suit all abilities and you can walk at your own pace.

Meet at the Pool Road Car Park outside the gate to the Millenium Green and Recreation Ground. Everyone welcome.

DOG FOULING

Unfortunately dog fouling on footpaths and open spaces has become a problem again in Studley. Whilst most owners recognise their responsibilities there is a significant minority who do not seem to understand. Dog mess apart from being very unpleasant, can cause serious disease, particularly in children. If you are a dog owner please take a bag with you to clean up after your dog. The bag can be disposed of in a normal bin if you are unable to find a 'dog bin'.

Failure to clean up behind your dog can result in a fine of up to £1000.00

STUDLEY PARISH COUNCIL VILLAGE AWARDS

Judging will be taking place in July for the Village Awards for the best kept garden. There are a number of categories so we urge all residents to make an effort to make their garden look good which also enhances the look of the village overall.

Studley Citizens Advice Bureau Drop-in Service starts Tuesday 3rd April 2012

The Outreach service of the Citizens Advice Bureau has been running every Tuesday for over a year now and over that time nearly 200 residents have been helped with about 400 separate issues. With the initial funding coming to an end, the service is changing from April. Thanks to the support of Studley Parish Council, the service will continue as a 'drop-in' on the first and third Tuesdays of every month, between 10am and 1pm.

This means you do not need to have an appointment just drop-in to the Village Hall on either the first or third Tuesday of every month and you will be able to get help from the Citizens Advice Bureau.

The Assessor at your initial meeting may well be able to resolve your problem by providing appropriate information or signposting you to another agency. If required you will be given a follow up appointment either at Alcester or Stratford for full advice.

Community Forums – Have your say

Community Forums are public meetings led by the County Council and Stratford-on-Avon District Council to engage the public in council business. Warwickshire Police promote 'Safer Neighbourhoods through the Community Forums. Additionally the Safer Neighbourhood Teams hold a surgery prior to the forum during which time tea/coffee is available

**Your Community Forum's next meeting is scheduled to take place on :-
Thursday 28th June 2012 at 7.30pm at Tanworth In Arden Village Hall, Vicarage Hill, Tanworth in Arden, B94 5AN
you will be able to Influence Your Local Policing Priorities.**

If you have a specific concern or problem, then drop in to the local surgery from 7.00pm– 7.30pm where you will be able to speak to your Safer Neighbourhoods Policing Team, Councillors and Officers from Warwickshire County and Stratford-on-Avon District Councils.

**If you would like to suggest an issue for a future Community Forum meeting, or find out more, please contact Lizzie Price on 01789 260133 or email :-

Studley 1st Responders

Studley 1st Responders are a small group of volunteers who often the first on the scene to provide treatment to the patient until a West Midland Ambulance Service resource arrives.

They have recently been adopted by the Redditch Lions who have given them support and funding. Thanks to a recent anonymous donation they have been able to secure a further vehicle which will enable them to provide greater coverage. A further Responder is currently being trained and should be operational by the summer. Training is being undertaken by one of the team to become qualified as a Medical 1st Responder which will enable him to administer medication to the patient.

Studley Heritage Trail

A guided walk to open Studley Heritage Trail will take place on Saturday 19th May 2012 at 10am. The walk will take approximately 2 hours and will start from Pool Road Car Park.

The walk is suitable for families and a short talk will take place at each point of interest.

The Studley Heritage Trail leaflet is available from The Village Hall, High Street, Studley.
