**Saturday 20<sup>th</sup> March 2010**

**7 pm for 7.30 pm  
(Circa 1955)**

Staring Gordon MacRae  
Gloria Grahame  
GENE Nelson  
Charlotte Grrenwood  
Shirley Jones

Which was the basis of Oklahoma!, Jud Attempts revenge on Curly and Laurey by burning a haystack they stand on after a wedding, rather than simply attacking Curly with a knife, as in the stage version of the musical. In the film, however, as Curly and Laurey stand atop the burning haystack, Jud still does pull a knife and taunt Curly. The couple jumps down, with Curly landing on his own knife.
