

## Christmas Tree Festival at Studley Methodist Church

Studley Methodist Church invited the Parish Council to take part in their Annual Christmas Tree Festival. The Parish Council was delighted to take part in this community project as it was an opportunity to showcase some of the services and other community projects that the Parish Council has been involved in. Recycled and donated materials have been used to create this project as an alternative to a traditional Christmas tree.

The display of all trees will be available for viewing up until Sunday 16<sup>th</sup> December 2018.

No trees have been harmed in this project!!!! 😊
